

## 2015 'FINTECH 100' LIST RELEASED -

# ISRAEL'S OURCROWD NAMED ONE OF THE GLOBAL TOP TEN MOST INNOVATIVE FINTECH COMPANIES

*Only equity crowdfunding platform in top ten*

---

**Sydney, Australia / Jerusalem, Israel. December, 15, 2015** – OurCrowd has been voted the 10<sup>th</sup> most innovative Fintech company worldwide in the second annual '[Fintech 100](#)' list, the leading Global Fintech innovators report published by investment firm H2 Ventures and KPMG. OurCrowd was the sole crowdfunding platform and the only Israeli company named among the top ten listed. This represents a significant leap from last year, when OurCrowd was ranked #22.

The top ten companies in the *Fintech 100* for 2015 are:

1. ZhongAn (China)
2. Oscar (USA)
3. Wealthfront (USA)
4. Qufenqi (China)
5. Funding Circle (UK)
6. Kreditech (Germany)
7. Avant (USA)
8. Atom Bank (UK)
9. Klarna (Sweden)
10. OurCrowd (Israel)

The 'Fintech 100' includes the leading 50 established Fintech companies across the globe and the most intriguing 50 'Emerging Stars.' Though OurCrowd is the only equity crowdfunding platform in the top ten, the report identifies two other equity crowdfunding platforms in the top 50: CircleUp (#31) and AngelList (#50).

The 'Fintech 100' report includes 40 companies from the Americas (40%), 20 companies from the EMEA (20%), 18 companies from the UK (18%), and 22 companies from the Asia-Pacific region (22%), including 10 from Australia and NZ. Among the eight Israeli companies represented on the list is OurCrowd's portfolio company BioCatch, the leading provider of behavioral biometric solutions for mobile and web applications.

According to the report, the list highlights exciting new Fintech companies with bold, disruptive and potentially game-changing ideas. The report also states that globally, Fintech sector financing has jumped six-fold over the past three years with over \$20B estimated to be invested in 2015, a 66% increase over 2014 (\$12B).

OurCrowd CEO Jon Medved said, *"It is truly an honor to be a part of such a prestigious list of Fintech innovators two years in a row. We are proud to be recognized as the world's leading equity crowdfunding platform. Fintech is now a global sector and we are glad to be leading an Israeli contingent of eight companies on the list."*

Ian Pollari, Global co-lead of KPMG's Fintech practice said, *"The speed and energy with which Fintech innovation is impacting financial services is gathering global momentum on many measures. This year's report underscores the international nature of Fintech, with the broad geographic diversity of the Fintech companies featured. It is the 'Fintech 100' companies that are pushing the frontier of new products, services, technology, and business models in financial services. Those within the financial services sector who ignore the innovations of the 'Fintech 100' cohort do so at their peril."*
